

STRATEGIC PLAN

MISSION: Through advocacy, education, and networking, we champion the hearth, patio, and barbecue community in the Mid-Atlantic region to help our members thrive.

INITIATIVE	ACTION
ADVOCACY	MAHPBA's Government Affairs Committee will monitor national, state, and local legislative and regulatory initiatives, and advocate for policies that promote a favorable business environment in which our members can thrive.
EDUCATION	MAHPBA will provide relevant and timely industry-related training sessions, as well as NFI materials, training classes and exams, at a discounted rate to members.
NETWORKING	MAHPBA's Annual Conference and affiliate reception at HPBA Expo will provide opportunities for members to interact and share best practices and success stories with peers, as well as distributors and manufacturers, in an informal setting.
HPBA AFFILIATION	MAHPBA will work with HPBA to build a strong and connected industry that thrives on collaboration, support, and shared success.
